## Registration Form

I would be grateful if you could assist me by completing the form below. It is important that we receive these details from you, to update and maintain our records.

All junior children must be delivered and collected inside the building by a parent or guardian and handed to a member of staff. We do have a waiting room for parents whilst their children are in class. **We do not encourage parents to watch.**

We do recommend that no child be left outside to wait for parents/guardians. **I am sure you will understand that no responsibility can be taken for your child/children once they have left the premises.**
